ABOUT ME

My self-summary

Kindness matters

Any other geeky adventurers out there?

I always wanted to sail the seas and I've done that.
Now I want to make the world a better place; through all available means.

Use the international online community with 18 years history that recently transferred ownership to me?
Sure thing!

Invite cool people to join trips on my sailboat?
Absolutely!

Do so with a true partner to lose my heart to beside me?
Oh, yes please!
It would mean the world to me... [EDIT](#)

ASPIRATIONS

Current goal

Sounds silly and ridiculous?
Might make more sense than you think. 😊 [EDIT](#)

TALENT

I could probably beat you at

Go ahead and brag a little, champ [WRITE](#)

SECRETS

The most private thing I'm willing to admit

Any secrets to tell the world? [WRITE](#)

DATING

You should message me if

You can be gracious; when I can be sweet. [EDIT](#)

Feminism

The kind of feminism I most identify with

Man = person, woman = person, samey = samey.

Life can be so beautifully simple if you want it to be!

Religion

My favorite holy book excerpt

The entirety of the Gospel of the Flying Spaghetti Monster.
It's inspiring, it's ridiculous and it's exactly ME! [✎ EDIT](#)
